

# Harvie & Hudson

*"PPS's organisational skills, attention to detail and experience proved invaluable in achieving our aim of a pre-Christmas opening.*

*It was a pleasure working closely with PPS over a very intensive 14-week period, going from a blank canvas to the finished article, during which time PPS maintained a can do – will do attitude"*

Matthew Beadle  
Harvie & Hudson.

"Suits you Sir" - Property Project Solutions deliver new flagship store for Harvie & Hudson.

Property Project Solutions provided project management services to Harvie & Hudson via property acquisition company, ask-re The Property People llp, inclusive of procurement of design & build contractor, Cameron Black, design co-ordination, landlords, planning and building regulations approval cost planning and management, site co-ordination and overall project management of the works on site together with co-ordination of Client supply items, quality control of the works.

The space acquired for Harvie & Hudson was an empty shell and the Client requirements were for the space to incorporate bespoke joinery, staircase, lift, shopfront details, services installations, fabric and finishes and various Client supply items to provide a clean and fresh feel to a traditional brand in order to showcase their shirts, suits and accessories and a "City Gent" barbers facility. The completed space comprised sales displays, changing facilities, barbers area, staff facilities and disabled WC
